(That Stuff That Wouldn't Fit Elsewhere)

Here are some interesting, educational, and fun resources connected to this issue:

Check out the Irish Literature, Mythology, Folklore and Drama Website at <http://www.luminarium.org/mythology/ireland/>. Tons of wonderful links to Ireland.

One source for some free Celtic clipart is at <http://www.ireland-information.com/celticclipart/celticclipart.htm>. They also have a lot of other cool stuff.

And for more great Greek recipes, check out The Glorious Foods of Greece, by Diane Kochilos. It took her 10 years to write the book!

Color the Goddess

Break out those crayons and have some fun!

Isis eventually absorbed the aspects of nearly every other Egyptian goddess there was. Here you can see a pictorial representation of her absorption of the goddess Hathor. Notice how the solar disk headdress morphs into the throne of Upper and Lower Egypt.
